

## **Hackettstown Author to sign children's books at Greene's Beans**

Greene's Beans Cafe at 313 High St. will host a book signing party in honor of Diana Tuorto's newly released children's novel, "Janie's New Legs," on June 14 from 1 to 4 p.m. and again at the café's Sparta location at 31 Theatre Center on July 19 from 1 to 4 p.m. Both events are free to the public and will feature door prizes, raffles, readings and live music.

"Janie's New Legs," which is appropriate for ages 8 to 14 plus, will be available for sale for \$12. A portion of the proceeds from books sold during these events will benefit the Somerset Hills Handicapped Riding Center in Oldwick.

Tuorto's book tells the story of Silver, a shy pony, rescued from abuse and neglect, and Janie, a fragile young girl, paralyzed from a car accident. Janie meets Silver at a handicapped riding facility, an extraordinary friendship develops and the two gradually begin the road to healing and recovery together.
