

# The Rescue Round-Up

## CLAWS Cat Rescue and Adoption Shelter of Sussex, Inc.

CLAWS Cat Rescue and Adoption Shelter of Sussex, Inc. is an Augusta-based shelter. Two of their cats in need of a loving home are Floyd and Charlie. They are brothers and were abandoned in a dumpster as kittens. Floyd and Charlie were found by a store owner who took care of them for six years. Unfortunately, the owner was no longer able to care for them and donated them to CLAWS. Both boys are extremely sweet and lovable, up-to-date on shots and neutered. Since they have been together since birth, CLAWS would prefer to find them a home together. For more information on Floyd, Charlie, and CLAWS, visit [clawsnj.9f.com](http://clawsnj.9f.com) or call 973-875-8540.

## Milestone Equine Rescue

Milestone Equine Rescue is a Phillipsburg-based non-profit rescue for horses of all breeds. Their latest rescue is Jiminy Cricket, a sweet pony who was purchased out of a kill pen. Jiminy is very kind and gentle, but after suffering injuries to both his left hind and right front leg, he is not rideable and was unwanted. Donations are greatly needed to help with his care. For more information on Jiminy and MER, visit [www.milestone.org](http://www.milestone.org) or call 908-995-9300.

## Noah's Ark Animal Welfare Association

Noah's Ark is a Ledgewood-based shelter for cats and dogs. One of their rescues is Violet, a three year-old purebred yellow lab, who suffered a seizure. After several extensive tests, she was diagnosed with chronic hepatitis. Violet spent three weeks at the vet trying to get her liver under control. She is now back at the shelter and on a regiment for medication and special pre-

scription food.

Violet is now feeling fantastic. She is looking for a foster home where she can get some extra TLC and is in need of round the clock medical attention. She is great with children, cats, walks on a leash, and loves to play with other dogs. Please stop by the shelter and foster Violet. The cost of this second chance was \$10,000, so the shelter is reaching out to the community, asking those who care about pets to help with donations.

To learn more about Violet, Noah's Ark, or make a donation to the Cobi Special Needs Fund, visit [www.noahsarknj.org](http://www.noahsarknj.org) or call 973-347-0378.

**Second Chance Pet Adoption League**  
Second Chance Pet Adoption League is an

Zia from Second Chance

Oak Ridge-based rescue for dogs. One of these dogs is Ziggy, an adorable 3-year-old Cairn/Norwich terrier mix who was rescued from death row at a local pound. He is housebroken, calm, and well-mannered. Ziggy is looking for a calmer adult home where he can be the only pet. He will be a loyal, protective companion to his new owner.

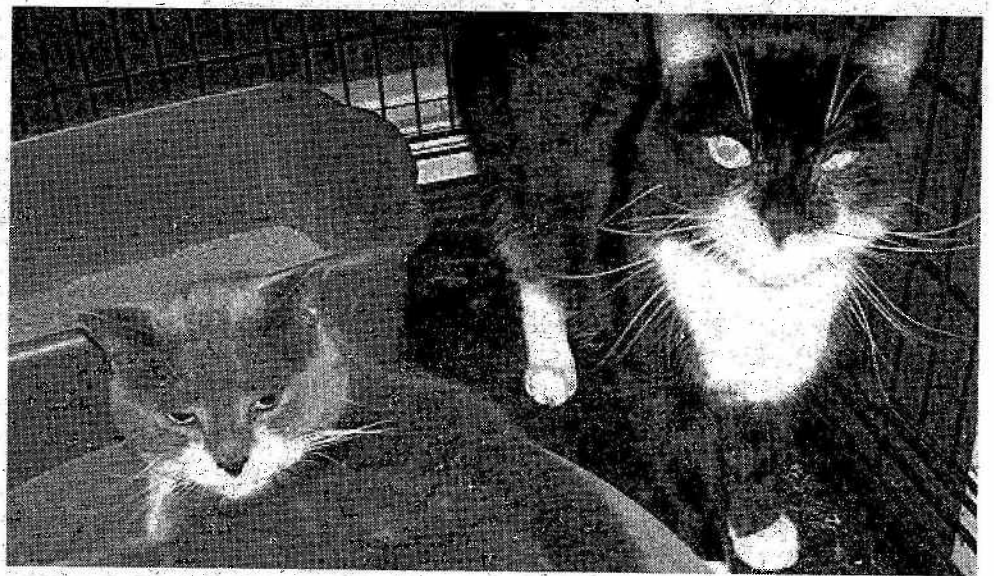

Another dog looking for a home is Zia, a 10-month-old shepherd/bull terrier/pit mix. Her owners abandoned her and her puppies, all completely emaciated and denied basic veterinary care. Zia can be nervous with new people at first, but is a goofy, happy puppy once she warms up. She likes to play with most other dogs, but would be best in a home without cats or small animals. Zia is a smart, attentive pup who is eager to learn and please her owner.

These dogs and many more are available for adoption and can be seen at [secondchance.petfinder.com](http://secondchance.petfinder.com). Second Chance holds adoption days every Sunday at the Animal Clinic of Morris Plains, located at 3009 Route 10 East, from 12:30-3pm. For more information, call 973-208-1054.
